Locations of the most reliable shops are marked on map. SEA SHELLS are a fitting souvenir to remember your visit. Largest display is near Rawai: Phuket Seashell (381-274) has everything on sale, but it looks more like a museum! ORCHIDS are expensive luxury when flown to countries where they are not indigenous. Phuket's climate is perfect. Karen is largest nursery (288-777); over half-million plants. GOLF: One of the world's best Miniature Golf courses is the spectacular Dino Park at Marina Cottage (330-625). For Real Golf, you can rent clubs and gain access to the best courses by contacting South-Western (Tel: 236-163).
